A brief summary

I am a passionate and results-driven Front-end Developer. I have worked on projects for dozens of international companies such as Uber, Walmart, Renault, SquareSpace, FedEx and many more. I pride myself on keeping up to date with the latest web-technologies and programming paradigms. I have over six years experience with web development and knowledge of multiple frameworks and languages.

Work Experience

LRN
2019 - Present

Programmer

- ❏ Projects being used by hundreds of thousands of users globally.
- ❏ High accolades given by clients about our team's work.
- ❏ Working as part of a large team to hit strict deadlines.
- ❏ Creating styles and scripts that worked with all browsers and resolutions including legacy browsers.
- ❏ Helping develop a proprietary framework.
- ❏ Developed scripts to automate tasks that consumed dozens of man hours weekly.
- ❏ Spearheaded innovative use of Git within the company to reduce storage space consumption on the Network to a fraction of previous amounts.

Instanab
2017 - 2018

Open Source Developer

- ❏ Creating a visually appealing modern design.
- ❏ Focus on creating a responsive site.
- ❏ Using SCSS to create re-usable styling.
- ❏ Working in a small team to deliver a high quality website.
- ❏ Developed website using Vue.

Freelance Web Developer
2016

Full Stack Development
- ❏ Creating fully customized websites.
- ❏ Utilizing Express, Vue, SCSS and MongoDB.
- ❏ Extensive knowledge of web-hosting and databasing.

Artisan Bar
2015 - 2016

Bar-back
- ❏ Worked as part of a large team.
- ❏ Busy environment where I was constantly on my toes.
- ❏ Each day had new challenges that required problem solving.
- ❏ Position required great flexibility on my part.

Education

Solas E-college
2018 - 2019

Programming with JavaScript
- ❏ Object-oriented programming.
- ❏ Functional Programming.
- ❏ Examinations on programming with strict time-limits.

Application Development Fundamentals
- ❏ Strong focus on HTML5 elements.
- ❏ In-depth focus on Grids and Flexbox.
- ❏ Gained a lot of knowledge about styling and SASS.

Dundalk Institute of Technology
2010 - 2013
